

Technical drawing of a vertical mechanical assembly, likely a pump or valve, showing a cross-section with dimensions and numbered components (1-8).

Dimensions:

- Overall height: 3000
- Top section height: 200
- Upper main section height: 2600
- Lower main section height: 1000
- Bottom section height: 200
- Top flange width: 223
- Top flange diameter: 800
- Top flange thickness: 223
- Internal vertical distance: 280
- Internal vertical distance: 300
- Internal vertical distance: 30
- Bottom flange width: 200
- Bottom flange diameter: 846
- Bottom flange thickness: 200
- Bottom flange offset: 200
- Bottom flange offset: 1200
- Bottom flange offset: 250

Components:

- Top flange
- Internal vertical rod
- Internal vertical rod
- Internal vertical rod
- External horizontal pipe
- Internal horizontal pipe
- Internal horizontal pipe
- Internal horizontal pipe

[illegible]

Technical drawing of a window frame cross-section. The drawing shows a window frame with a handle and a locking mechanism. Dimensions are indicated in millimeters (mm). The overall width of the frame is 975 mm. The distance from the left edge to the handle is ca. 110 mm. The distance from the handle to the right edge is ca. 160 mm. The height of the frame is 200 mm. The distance from the handle to the bottom edge is 106 mm. The distance from the handle to the bottom edge of the frame is 94 mm. The distance from the handle to the bottom edge of the frame is 80 mm. The distance from the handle to the bottom edge of the frame is 54 mm. The distance from the handle to the bottom edge of the frame is 280 mm. The distance from the handle to the bottom edge of the frame is 300 mm.

Technical drawing of a mechanical assembly, likely a part of a machine tool. The drawing shows a cross-section of a component with various dimensions and features:

- Dimensions:**
 - Horizontal dimensions: 110, ca. 65, ca. 45.
 - Vertical dimensions: ca. 25, ca. 85, ca. 95, 23, 22.
- Features:**
 - A hatched area on the left side, indicating a specific material or section.
 - A central vertical shaft or rod passing through the assembly.
 - A horizontal rod or beam at the top.
 - A vertical rod or beam on the right side.
 - A small circular feature (possibly a hole or a pin) near the center.
 - A larger circular feature (possibly a hole or a pin) near the bottom right.

Technical drawing of a metal profile with the following dimensions:

- Length: 1000 mm
- Width: 93 mm
- Height: 13 mm

The profile features mounting brackets at both ends, with a central section marked with a dashed line indicating a break or continuation.
